BECOME A TRANSWORLD EXHIBITOR!

THE JF&A SHOWS are where customers rush to shop for everything from fine jewelry to fur coats, to perfume and costume jewelry, to gifts and décor.

HERE ARE MORE REASONS WHY YOU NEED TO BE AT ONE OR ALL OF OUR SHOWS:

- 15,000 – 25,000 buyers at each event. Buyers bring cash in hand and want to touch, try on, smell, or taste your products for immediate purchasing - they take it home with them.
- Sell merchandise out of your booth immediately to your cash-and-carry wholesale customers who need to stock up for all the holidays and all celebrations. PLUS, attendees buy for themselves, friends and loved ones. Our shows are the biggest sales events of each season!
- Sell face-to-face to an exclusive audience with the cash in hand to get all of their shopping done in one place in four days – they'll be looking for your latest lines and most unique products.
- Start your season, no matter which one, with new customers, more business and bigger profits. Our extensive attendee marketing and promotional campaigns have been delivering buyers for over 37 years. And each show brings 25% first-time buyers as well!
